The Marquette is what the Editor sends out when he screws up badly. This time it was forgetting an article Harry sent me on the new club magnetic car signs. Doh...so take it away Harry Mague!

**Club Members, I have purchased for the club members these magnetic signs. As purchased, they are 12x12 squares that can easily be trimmed to 11 inch round signs. "Cost the members are \$12.00 each.**

**This is one I gut for myself. Not hard. If you want one, send me an email and I will bring them to the next meeting likewise any other memorability you might want. Harry Mague
